Last Chapter Meeting : Jan 20

Next Chapter Meeting : feb 3

Minutes of Meeting: At the Jan 6th meeting we discussed the upcoming elections and got the nominations going. The end for nominations was set to be the Jan 20 meeting. We also saw the formation of a new chapter. Four individuals stepped forth to guide our rampant population into a new future.

The new chapter has chosen it's name to be Elysium of Insanity. They began the process of getting their Ten required members.

At the Jan 20th meeting we concluded the Nominations and set the elections for DoS chapter officers to be Feb 3. We also discussed some ST rules clarifications, and conditions of characters. Our CST has suffered a major blow when it comes to computer use. Her computer gave out on her and the Character Database was included.

We also witnessed the gathering of yet more EoI members, and they are ready to send off their chapter registration.
